

RepsSouth is pleased to announce the addition of Dennis Elliott to the team. Dennis has been in the foodservice industry for 29 years, most recently as V.P. of Sales for Frymaster Inc. His prior experience included Eastern Regional Manager and Product Director for Frymaster. Prior to Frymaster, Dennis worked for Robot Coupe USA, Inc. as Director of Product Management. Dennis will be joining RepsSouth as a Rep Principal.

Dennis will be joined by his wife Toni, relocating to the Nashville area and working out of the Brentwood office. Please help us in welcoming him to the RepsSouth team.

Please include Dennis in your mailing lists and communications as needed. His contact information is listed below:
