

## Delfield introduces new **CONCEPTS** Serving Lines

The new CONCEPTS line of merchandising and serving solutions is a departure from conventional serving equipment and elevates serving to a whole new level. You get the look and feel of a custom solution but without the custom price tag! New Options for you:

- 1.) **Interchangeable Décor Panels-** Can freshen the look or change look to meet a new trend by easily changing the front décor panels.
- 2.) **Unlimited Panel Op-**tions- thousands of panels to choose from as well as "stand-off" panel options.
- 3.) **Curve Appeal-** Ability to add curved counters into the mix.
- 4.) **Tray Slides-** Available in different finishes to match your top décor.
- 5.) **Top configurations-** choose from stainless steel to various manufacturers of solid materials including Hanstone quartz to granite.
- 6.) **Sleek Streamlines Design-** New venting method so there are no need for louvers cut into the front panel!
- 7.) Various **signage** options available.
- 8.) **Food Shields-** new design makes food shield virtually disappear!

AVAILABLE OCTOBER 2009!
